

Monte-Carlo, 4 March 2020

**AMWC POSTPONEMENT TO 5, 6 AND 7 NOVEMBER 2020**

Dear AMWC congress participant,

AMWC is proud to serve the international Aesthetic and Anti-ageing medicine community and to help our customers share knowledge, connect and do business.

We have very much been looking forward to hosting you at the 18<sup>th</sup> edition of the Aesthetic and Anti-Aging World Congress (AMWC) in Monaco in next month.

However, over the last few weeks, we have been in close contact with AMWC participants, speakers and exhibitors from around the world and paid close attention to world and local health authority reports.

We have observed the development and rapid spread of the novel coronavirus COVID-19, including in areas close to the AMWC event, such as in Northern Italy where control conditions and travel restrictions are in place.

After much discussion and consultation on this topic, and to ensure both a productive and serene environment at the event, we have taken the decision to postpone the AMWC event in April 2020 and reschedule the event for the **5<sup>th</sup>, 6<sup>th</sup> and 7<sup>th</sup> of November 2020** at the same venue and location (Grimaldi Forum, Monaco).

We are very thankful to all our partners for their support and collaboration in making this postponement possible.

Thank you in advance for your patience and understanding.

Yours sincerely,

Christophe Luino  
Managing Director
